

327D.129 Weight at destination.

Bulk commodities shall be weighed at the destination upon request of the consignee when there are track scales at the destination. If the destination is not equipped with track scales, the weighing shall be done at the nearest practicable point agreed to by both parties.

[S13, §2157-n; C24, 27, 31, 35, 39, §**8139**; C46, 50, 54, 58, 62, 66, 71, 73, 75, §479.105; C77, 79, 81, §327D.129]

Referred to in §327D.131, 327D.132
